#### **FUNDAMENTALS CAMPS**

Utah Olympic Parks' FUNDamentals program offers youth ages 7 to 10, a multi-sport experience that reinforces physical education, agility, balance, and coordination. Each week of the Summer season, camps will focus on a different sport theme such as golf, sailing, tennis, curling, water polo, and swimming. As an added bonus, campers will also have the opportunity to try freestyle skiing and jumping into the Spence Eccles Olympic Freestyle Pool. Camps begin in June and run weekly through the end of August. A weekly session is \$300.

#### **PARK CITY NORDIC SKI CLUB**

The Park City Nordic Ski Club (PCNSC) offers programs for athletes as they learn and progress in cross-country and Nordic combined disciplines. Sessions begin in early June and run through the end of October.

FLY Freestyle programs focus on developing freestyle and freeskiing skills with the youth participants 7 to 15 years of age. Programs include one, two, and four day-a-week group lessons for intermediate to advanced skiers and run June 2 to September 3. For progressing freeskiers, FLY Freestyle offers development and competition level teams in the disciplines of aerials, freeskiing, mogul skiing, and snowboarding.

For participants with no freestyle experience, FLY Freestyle also offers Signature and Private Session programs for the public as well as five day camps and a convenient FLY 5 Punch Pass, which allows pass holders to drop in on a training session when they have the time.
