	<b>Job Location:</b> Utah Olympic Park <b>Reports to:</b> Mtn Adv Maint. Sup. <b>Function Area:</b> UOP Mtn Adventures	<b>Position Code:</b> 037 <b>Pay Grade:</b> 4 <b>Type:</b> Seasonal Full-time

**Job Title: Mountain Adventures Maintenance Tech.**

***Purpose***

The Mountain Adventures Maintenance Tech. is responsible for assisting in the monitoring, tracking, maintaining, and repairing of all equipment used in Utah Olympic Park Mountain Adventures Activities. This position above all else is tasked with ensuring a safe and enjoyable experience for our staff and guests at all times.

**Oversight of Maintenance and Repair of all UOP Mountain Adventures activities**

- Operate all activities, perform daily inspections, and record Inspection information.
- Independently perform periodic inspections of Mountain Adventures activities at the direction of the Maintenance Supervisor
- Regularly log, inspect, and maintain all equipment involved in UOP Mountain Adventures activities.
- Track all equipment used in UOP public activities to ensure the highest safety and longest life.
- Assist in building new elements as needed
- Communicate with Mountain Adventures Maintenance Supervisor regarding inspections and repair delays.
- Review daily log sheets to insure activities are being adequately inspected each day.
- Assist the Maintenance Supervisor in maintaining adequate supplies, tools and equipment for efficient and safe operations of the Mountain Adventures activities.
- Assist the Maintenance Supervisor in managing and maintaining an inventory of tools, equipment and supplies used in the course of performing daily duties.
- Conduct weekly, periodic inspections on all required equipment and maintain accurate logs of all inspections performed.
- Maintain up-to-date knowledge of the industry (ACCT and SAE) and evolving standards and ensure UOP meets or exceeds them.
- Participate in staff training as required for new equipment and or updated procedures.
- Ensure a culture of safety with the operators of the activities.
- Maintain thorough written records of existing equipment, preventative maintenance and replacement schedules, daily, weekly, monthly, and yearly logs, and any other items related to the operation of the activities.
- Wear park uniform and be well groomed and neat at all times
- Flexible mindset/ willing to help out where ever needed

***Required Knowledge and Essential Skills***

- Minimum of one year of experience in maintenance and repair, or operations in the industry.
- Demonstrated ability to troubleshoot and repair both mechanical devices and both unique cable based and climbing related activities.
- Must be comfortable working at heights in a harness.
- ACCT certifications preferred, but not required
- Ability to perform strenuous activities often at significant heights, including lifting and building, outdoors in extreme temperatures.
- Excellent written and oral communication.
- Good computer skills and knowledge of Microsoft Office programs.
- Proven ability to thoroughly administer tracking and documentation.
- Safety conscious person, ensuring safety of public and staff.
- Ability to work with all user groups in a friendly and accommodating manner.
- Assist in any other areas as assigned.
- Assist other departments in achieving the broader goals of the Foundation.
