In 2002, Utah hosted the world for the XIX Olympic Winter Games and the VIII Paralympic Winter Games. By any measure, the 2002 Games were a success - featuring 2500 Olympians representing 77 nations who came to Utah to pursue their Olympic dreams. Incredible venues and ideal weather combined to create the perfect stage for the athletes to perform at their best.

The largest crowds ever for an Olympic Winter Games (a record that still holds today) filled the venues and cheered for every athlete, in every sport, from every country. The US Team won 34 medals at the 2002 Games, shattering the previous record of 13. Athletes including Chris Klug, Derek Parra, Sarah Hughes, Jim Shea, Ole Einar Bjoerndalen and Vonetta Flowers all made history in their own special way. Of course, the issue for all Olympic host cities is always the same… how will great Olympic memories transform into lasting benefits for the host community and country? The Utah Olympic Legacy Foundation was the answer to this question, created to carry on the positive impacts of the 2002 Winter Games for Utah residents and our visitors from all over the world!

Inspired by the success and momentum of the 2002 Salt Lake Olympic Winter Games, the Foundation has turned its focus toward embracing, engaging and involving Utah’s youth in winter sport. From community-based recreational camps and progression-oriented development programs to its official designation as an official U.S. Olympic Training Site at the Utah Olympic Oval and Utah Olympic Park and the addition of Soldier Hollow Nordic Center further represents our commitment to the future of winter sport in North America.

INCLUDES:
HOUR-LONG TOURS, AVAILABLE YEAR-ROUND
MUST PROVIDE OWN TRANSPORTATION.
SUMMER BOBSLED

EXPERIENCE THE RIDE OF A LIFETIME

Our professional pilots take three passengers on a thrilling ride down the Olympic sliding track from the 2002 Winter Games. You will rip through curves reaching speeds up to 70 mph. Sessions are timed allowing groups to compete for fastest starts, total time, and bragging rights.

1-HOUR MINIMUM | 30 PEOPLE PER HOUR

Available outside of public hours of operation and athlete training from May 25 thru September 23. Please plan to arrive 30 minutes in advance for bobsled orientation. Groups must provide their own transportation.
EXTREME + FREESTYLE ZIP LINES

OLYMPIC VIEWS WITHOUT THE SKIS

Experience what it’s like to be an Olympian flying off the K120 Nordic ski jumps on our Extreme Zipline. The Extreme Zipline is like our K120 jump - big, steep and long. In fact, it is the steepest zip line in the world, reaching speeds up to 50 mph!

We also have a tamer and more kid-friendly Freestyle Zipline. The Freestyle Zipline is a bit shorter and less steep, but still a lot of fun.

1-HOUR MINIMUM | 50 PEOPLE PER HOUR

Available year-round, outside of public hours.
EXTREME TUBING

Take a ride down the landing hill of a Nordic Ski Jump—in an inner tube! Gain speeds up to 50 mph and enjoy the thrill of soaring just like an Olympic Nordic ski jumper. (These are the same ski jumps that today’s Olympic-level athletes train on!)

Extreme Tubing takes place on two Nordic Ski Jumps - the K64 (smaller hill) or K90 (larger hill). The landing hill where your ride starts is constructed from a state-of-the-art plastic surface that slides just like snow.

1-HOUR MINIMUM | 50 PEOPLE PER HOUR
Available year-round, outside of public hours.
ZIP LINE TOUR

Utah Olympic Park’s NEW seven tower Zip Tour was designed with the thrill-seeker in mind. Participants will fly up to 161 feet above the canyon floor as they crisscross their way along the most scenic portion of Utah Olympic Park. All while traveling over a mile and approaching speeds of up to 40 mph.

1-HOUR MINIMUM | 50 PEOPLE PER HOUR

Available year-round, outside of public hours.
AIRBAG JUMP

Visitors can experience what it is like to be a stunt person in the movies with the new airbag jump. You can choose between three different platforms — 5 feet, 10 feet, and 15 feet — from which you can leap onto your back into the giant airbags below.

1-HOUR MINIMUM | 50 PEOPLE PER HOUR

Available year-round, outside of public hours.
DROP TOWER
ENJOY THE VIEWS BUT DON’T LOOK DOWN

If a mental challenge is what you seek, don’t miss out on the Drop Tower. The Olympic Sliding Track serves as the perfect backdrop for thrill-seeking behavior.

Thrill seekers will zip nearly 400 feet above the tree tops finishing at a 65 foot tower before taking their leap. By design, the Drop Tower offers only one way down; a resistance cable.

1-HOUR MINIMUM | 40 PEOPLE PER HOUR

Available year-round, outside of public hours.
DISCOVERY COURSE

KID-FRIENDLY ACTIVITY

The Discovery Course is located near adjacent to the Nordic Plaza area of Utah Olympic Park. This course is a great kid-friendly option, offering guests the opportunity to test their balance and agility while tethered and suspended 10-15 feet above the ground.

Available year-round, outside of public hours.
CANYON + SUMMIT COURSE
TEST YOUR AGILITY AND BALANCE

Located within the lower loop of the Utah Olympic Park Sliding Track, the Canyon Course offers guests the chance to be tethered and suspended in the air and challenged to work through wire transfers, swinging elements, and problem solving features.

For teams who are looking to get even further out of their comfort zone, the Summit Course offers similar challenges but participants are now suspended 55 feet in the air. The courses provide a fun experience while testing agility, strength, and balance.

1-HOUR MINIMUM | 40 PEOPLE PER HOUR

Available year-round, outside of public hours.
ALPINE SLIDE

Our Alpine Slids is exactly what you’d expect from the place that built one of the most exciting Olympic sliding tracks in the world.
