COVID-19 EVENT INFORMATION AS OF 01/02/21

Spectators and families: We are thankful for your support over the years and especially this year; however, for 2020-2021, non-registered participants and/or spectators are not allowed entry to the events (stadium and courses) this year due to Covid-19 precautions and venue maximum numbers for Soldier Hollow in Wasatch County.

Guests not attending the event and on skis must have a trail pass, and must remain on public trails only, and not on race courses or the stadium. Passes may be purchased on line (preferred) or at the Nordic Center/Lodge, before skiing. Parking and check in at the Nordic Center is required.

<https://utaholympiclegacy.org/activity/cross-country-day-pass/>

Ski area may be limited due to conditions.

We look forward to next year when we can welcome everyone back to racing in the Hollow! Thank you for your support.

Attendees allowed: ACTIVE USSS/FIS Registered Athletes, ACTIVE USSS Registered Coaches, Volunteers, Contractors, Officials, Medical and SHNC Staff.

Field Size Limitation possible: Based on current conditions (12/2/2020), we can accept no more than 360 racers per gender and 90 ACTIVE USSS Coaches and 50 volunteers and event staff total.

All attendees:

- Please do not come to Soldier Hollow Nordic Center if you are sick or experiencing any symptoms.
- 6' Social Distancing must be observed at all times.
- At every competition, face coverings are required by all participants (athletes, coaches, officials, contractors, support staff and volunteers) at all times except when skiing.
- Face covering may be removed on the start line, but must be put back on as soon as possible after finishing, and prior to leaving the finish pen. Non-compliance may result in sanction in accordance with ICR/ACR 223.1.1. a. COVID-19 Coordinator will bring violators to the attention of the jury.
- **USSS Covid-19 Pre Screening Questionnaire:** Will be made active on the following link 72 hours prior to the event. This form is required by USSS to be completed by coaches, athletes and officials between 72 and 48 hours prior to the event (January 15 – 18). This information will be maintained and monitored throughout the event.

<https://forms.gle/ZKsmjBW6qXyqmJQRA>

- **Covid-19 Daily Symptom Check form:** Please read each question carefully, particularly the temperature question – 'Is your body temperature below 100.4F'. In order to enter the venue each race day (Jan. 16, 17 and 18, 2021) you must complete the Covid-19 Daily Symptom Check form, be symptom free, and have taken your temperature and verified it is below 100.4F. This information will be maintained and monitored throughout the event.

- Should you have a temperature above 100.4 Fahrenheit or have any symptoms, do not come to the venue and consult with your coach. For further information, contact the Race Secretary who will put you in touch with the event Covid Coordinator. Local testing is available.
- Those allowed to enter the venue for the event this year, and who will be issued wristbands for entry on Race Days: Volunteers, Contractors, SHNC Staff, Officials, Medical personnel, registered USSS/FIS athletes and registered USSS coaches.
- A wristband given to you by your coach or the Race Office, must be shown for entry through the green gate and worn during the event each Race Day.
- Spectators will not be given wristbands or allowed entry to the event this year.
- Thank you for taking these precautions to help prevent the spread of Covid-19, to keep us all safe, and to keep the venue open for racing this winter!

Registered Athletes may arrive to the parking area outside the Green Gate with enough time to insure their Daily Covid Check (google) form has been completed for the day.

Registered athletes can then enter the green gate not more than one hour prior to their start time and must depart the venue directly after finish/cool down, and within 30 minutes of completing their race.

Volunteers, SHNC Staff, Contractors and Coaches may arrive at or after 07:00 daily until 08:15 to also insure their Daily Covid Check (google) form has been completed for the day, and may park inside the green gate as follows, and may remain on the venue for the duration of the event day.

- Parking: Volunteers/SHNC Staff/Contractor: in an organized fashion on the three rotomill pads directly east of the CMB, and west of the portable toilets.
- Parking: Coaches/Team equipment: in an organized fashion in the asphalt lot east of the CMB and west of the portable toilets, leaving the perimeter open please for medical and volunteer access.

SEEDING, RESULTS AND SCORING

Seeding: Best of FIS and USSA for all races.

All participants must have an active USSS or active FIS membership/license PRIOR TO completing entries to this event.

- Scoring will occur accordingly for NRL and FIS.

SuperQualifier Information: Overall results will be generated, **as well as division specific results for U16 and older (TBD).**

Live Timing (www.summittiming.com) during the races.

Interim Results will be posted on-line at www.summittiming.com, with Final Results posted after the standard 15 minute protest period on www.summittiming.com.

U14's racing up, from Adam St. Pierre: Racers wishing to qualify for Junior Nationals (Regional). If a U14 wants to race up and receive points for doing so, they need a U14 Comp license. Technically an athlete can still race as a U16 with a XG or General license, they just won't receive NRL points for the race.

IMD Wax Policy 2020-2021 Season (applies to this event as of November 11, 2020)

With the recent decision from FIS to rescind its ban on Fluoro use for the 2020-2021 season, all IMD races licensed by FIS are OPEN wax events. Currently, those races in question are:

- West Yellowstone, Nov 28 (canceled)
- Sun Valley Dec 11,12,13 (canceled)
- SoHo #1 Jan 2,3
- Sun Valley Spring Series Mar 25,27,28

All other IMD sanctioned events (SoHo Super Q/RIMSA, McCall JNQ (NRL), IYC/Western Club Championships, Bozeman JNQ) will be administered under the 2020 updated IMD Wax Policy. Recommended updates to the Policy were consolidated from IMD Member Team input, take into consideration the FIS licensing requirements for the 20/21 season (e.g. no wax restrictions), and include the following goals:

1. Decreasing release of Fluorine into the environment for the 20/21 season and eliminating all use of Fluorine for the 21/22 season and beyond.
2. Eliminating all exposure to Fluorine by the 21/22 season for anyone in the IMD family who waxes skis for IMD events.
3. Creating a simple, affordable glide wax policy that supports growth of IMD skiing.
4. Leveling the playing field for Teams and individual Athletes by turning one primary ski prep variable into a constant.

To achieve these goals, the following rules will be in effect for the U16 category and up and applies to (non-FIS) IMD events in the 20/21 season. (U14 and younger age groups may only use NF)

- No restriction is placed on:
 - Ski grind
 - Structure
- Only NON-Fluorinated kick wax may be used.
- Common sense cleaning guidelines – all skis must be cleaned (per Adam, FIS guide)
- Picking Glide Wax
 - Race organizers will pick race glide wax from the following product list, all of which are made available for preseason purchase at preferred rates: SWIX (\$40/180G)
 - Swix High Speed 5: -10 to -18 (Hard Wax)
 - Swix High Speed 6: -6 to -12 (Hard Wax)
 - Swix High Speed 8: +4 to -4 (Hard Wax)
 - Organizers will provide the chosen glide wax call to all registered clubs by 12pm three days prior to a race.
 - Ex. If races are scheduled for Saturday/Sunday, glide wax will be communicated by 12pm on Wednesday for the Saturday race and Thursday for the Sunday race.
 - Coaches must directly supervise glide waxing for all competing athletes. All ski bases will be cleaned before hard wax application with a liquid base cleaner as recommended by the manufacturer. Please note that some base cleaners may have fluorine in them. It is recommended, in keeping with the goals of the IMD wax protocol, to use a non-fluoro base cleaner to reduced exposure. Swix specifically

Happy Trails!

markets a product labeled as non-fluoro. Once waxed the skis must stay in control of a team's coach until the race start.

Disciplinary Actions:

Complaint of violations should be written on the Complaint of Violations form (available below as **Appendix B.**) and emailed to the IMD Executive Committee at Rick@svsef.org & Zhall@uolf.org within 4 hours after the finish of the race in which an alleged violation occurred. Violations may only be considered if they meet IMD's Standards of Proof (see **Appendix A.**) and should include as much detail about the situation as possible to aid in a quick resolution. The IMD Executive Committee will determine validity of the complaint and, if merited, will issue a decision regarding the application of a penalty within 72 hours of the official complaint.

- A. If an athlete is found to have competed on skis that aren't waxed in accordance with the IMD Policy (whether known or unknown), that athlete will be disqualified.
 - a. The responsible Head Coach and Executive Director of the Club will also be issued a written Notification of Violation and Warning.
- B. A second infraction for an athlete during a season will result in disqualification from that day's competition(s) and all other JNQ's in the season, including those already contested and those yet to be run.
 - a. The responsible Head Coach and Executive Director of the Club will be issued a reprimand. A fine of \$150 will also be assessed to the athlete's club.
- C. If an athlete is disqualified from an event, they are removed from the results sheet and the points will be reallocated.

In the event that a complaint does or does not meet IMD's Standards of Proof but is thought by a majority of the members of the IMD Executive Committee to have some possible validity, the athlete(s) in question, their parent/guardian and the athlete's coach will be notified that a complaint was lodged. The coach will be tasked with creating a plan that ensures that no allegations can be made in the future (e.g. Ski management plan, team waxing policy, etc.). This plan should be shared back with the IMD Executive Committee prior to the next competition to alleviate potential for future complaints.

Appendix A. – IMD Wax Policy, Standards of Proof

A Complaint of Wax Policy Violation will only be considered by the IMD Executive Committee if one of the following items are included:

- A. A timestamped video that clearly shows a fluorinated product being applied to skis. The skis in question must additionally be proven to have been used in the race in question.
- B. An athlete admits to using Fluorinated products.
- C. Signed statements from two or more people from different teams that attest to having seen fluoros being applied to a specific set of skis that were used in the race in question. At least one of these people needs to be an IMD coach.

Appendix B.

Complaint of Wax Policy Violation

Instructions: Complaints must be fully filled out and emailed to the IMD Executive Committee at Rick@svsef.org & Zhall@uolf.org within 4 hours after the finish of the race in which an alleged violation occurred. Violations may only be considered if they meet IMD's Standards of Proof (see IMD Wax Policy Appendix A.) and should include as much detail

about the situation as possible to aid in a quick resolution. The IMD Executive Committee will determine validity of the complaint and, if merited, will issue a decision regarding the application of a penalty within 72 hours of the official complaint.

Details of Alleged Violation (Please include full names, club/team affiliation(s), locations, and anything else to help aid in a quick resolution):
