

PRIVATE “Boost” LESSONS

Valid October 6-December 31, 2020

Boost lessons are mini private lessons designed to give a “boost” to group lessons with one-on-one instruction.

These lessons are 15 minutes long and are scheduled with your choice of coach listed below.

These lessons can be used to learn how to skate, improve basic skills, prepare for evaluations or to work on a maneuver that skaters may be struggling with. The lessons can also be used to learn new maneuvers or to get an idea of what private lessons are all about.

Try a “Boost” today!

Cost is \$30

for two 15 minute sessions

Other package options available include 4 “Booster” lessons for \$55.00 or 6 “Booster” lessons for \$80.00

“Boost” lessons must be signed up for directly with the skating Instructor.

Afternoon and evening times available. Available days/times depend on the coaches availability. All participating instructors are listed below.

Boost lessons are only available for beginner skaters and the Learn to Skate program participants. “Boost” lesson packages include: 15 minute one-on-one private instructional lessons, skate rental and 15 minutes of practice ice time per day!
