Spectators and families: We are thankful for your support over the years and especially this year; however, for 2020-2021, spectators are not allowed entry to the events (stadium and courses) this year due to Covid-19 precautions.

Guests not attending the event and on skis must have a trail pass. Passes may be purchased on line (preferred) or at the Nordic Center/Lodge, before skiing. Check in at the Nordic Center is required.

We look forward to next year when we can welcome everyone back to racing in the Hollow! Thank you for your support.

Attendees allowed: USSS/FIS Registered Athletes, USSS Registered Coaches, Volunteers, Contractors and SHNC Staff.

All attendees:

- Please do not come to Soldier Hollow Nordic Center if you are sick or experiencing any symptoms.
- 6' Social Distancing must be observed at all times, and always if face coverings are not in place.
- At every competition, face coverings are required by all participants (athletes, coaches, officials, contractors, support staff and volunteers) at all times when not physically distanced (less than 6 feet from others), except for training, wax testing, or racing. Face covering may be removed on the start line, but must put it back on immediately after finishing and/or crossing the finish line. Non-compliance may result in sanction in accordance with ICR/ACR 223.1.1. a. COVID-19 Coordinator will bring violators to the attention of the jury.
- In order to enter the venue each event day (Jan. 1, 2 and 3, 2021) you must complete the following form, and be symptom free. This information will be maintained and monitored throughout the event by the Covid Coordinator.

<https://forms.gle/D8AqirD1x5Hbaf1X6>

- Should you have a temperature above 100.4 Fahrenheit or have any symptoms, do not come to the venue and consult with your coach. For further information, contact the event Covid Coordinator, who will be monitoring this information throughout the event.

- A wristband given to you by your coach or the Race Office, must be shown for entry through the green gate and worn during the event each day.
- Spectators will not be given wristbands or allowed entry to the event this year.
- Thank you for taking these precautions to help prevent the spread of Covid-19, to keep us all safe, and to keep the venue open for racing this winter!

Happy Trails!

Registered Athletes may arrive to the parking area outside the Green Gate with enough time to insure their Daily Covid Check (google) form has been completed for the day.

Registered athletes can then enter the green gate not before one hour prior to their start time and must depart the venue directly after finish/cool down, and within 30 minutes of completing their race.

Volunteers, SHNC Staff, Contractors and Coaches may arrive just before their scheduled time to also insure their Daily Covid Check (google) form has been completed for the day, and may park inside the green gate as follows, and may remain on the venue for the duration of the event day.
