OUR OLYMPIC LEGACY

YOUR SUPPORT MEANS THE WORLD

In 2002, Utah hosted the world for the XIX Olympic Winter Games and the VIII Paralympic Winter Games. By any measure, the 2002 Games were a success - featuring 2500 Olympians representing 77 nations who came to Utah to pursue their Olympic and Paralympic dreams. Incredible venues and ideal weather combined to create the perfect stage for the athletes to perform at their best.

The largest crowds ever for an Olympic Winter Games (a record that still holds today) filled the venues and cheered for every athlete, in every sport, from every country. The US Team won 34 Olympic medals and 43 Paralympic medals at the 2002 Games. Athletes including Apolo Ohno, Derek Parra, Sarah Hughes, Ole Einar Bjoerndalen, Janica Kostelic, Sarah Will and Vonetta Flowers all made history in their own special way. Of course, the issue for all Olympic host cities is always the same... how will great Olympic memories transform into lasting benefits for the host community and country? The Utah Olympic Legacy Foundation was the answer to this question, created to carry on the positive impacts of the 2002 Winter Games for Utah residents and our visitors from all over the world!

Inspired by the success and momentum of the 2002 Salt Lake Olympic Winter Games, the Foundation has turned its focus toward embracing, engaging and involving Utah's youth in winter sport. From community-based recreational camps and progression-oriented development programs to its official designation as an official U.S. Olympic and Paralympic Training Site at the Utah Olympic Oval, Utah Olympic Park and Soldier Hollow Nordic Center further represents our commitment to the future of winter sport in North America and around the world.

Group Ice Skating

ONE-OF-A-KIND EXPERIENCE ON THE “FASTEST ICE ON EARTH”

Treat your guests to an exclusive skate session on the Olympic Oval or Olympic-size ice rinks!

Two hours of ice time, skate guards and skate rentals are included. Available year-round for exclusive group sessions only.

Broomball

MAKE TEAM BUILDING A BLAST

Broomball is a winter sport played in ice arenas around the country, originating in Canada in the early 1900s. Played on a hockey rink, Broomball is very similar to hockey but also adds in soccer strategies.

Skates are not used for broomball; all you need are rubber soled shoes!

Broomball is a two-hour team building event and a great activity for all ages. Available year-round for exclusive group sessions only

Slapshot

EXPERIENCE THE THRILL OF HOCKEY - WITHOUT SKATES!

He shoots, he scores! Slapshot is an entertaining and challenging activity to add to your group event. Take aim, wind up, and hit your best shot at several goal targets.

Available year-round for exclusive group sessions only

KnockoutNet

The KnockoutNet is an interactive electronic hockey training system that lets players play games against the clock or each other, captivating their attention and engaging their competitive spirit.

The many game options are all designed to improve the players' shooting speed, accuracy, and attention to the open shot.

Element Event Center

Just next door to the Oval is the Element Event Center - featuring a large ballroom meeting space that overlooks the picturesque Wasatch Mountains and two conference rooms to accommodate corporate gatherings in a clean, professional environment.
