Welcome

Soldier Hollow Nordic center would like to invite you to attend the 2024 USBA Fall Festival and International Team Trials. These races are annually run at Soldier as part of our SchutzenSKI Festival.

Soldier Hollow is a 440-acre venue with 31km of trails located just an hour drive from the Salt Lake International Airport.

Nestled above the picturesque town of Midway and resting in the shadow of the Wasatch Mountains lies Soldier Hollow Nordic Center at Wasatch Mountain State Park. Although it is primarily known as an Olympic venue, Soldier Hollow hosts a variety of activities throughout the fall, spring and summer. Athletes at world-class levels and weekend enthusiasts can enjoy the facility on a year-round basis. The newly renovated Competition Center serves as the nerve center for major events, ranging from U.S. Cross Country Skiing Championships, IBU World Cups, Youth and Junior World Championships, Junior XC Nationals and NCAA Championships.

Rules

International Biathlon Union Event and Competition Rules will be in effect for this event, except as specifically modified by the Organizing Committee or Competition Jury. Any modifications to the rules will be discussed at the Team Captains Meeting. The organizing committee reserves the right to modify the parameters of the event based upon local conditions such as weather and trail availability.

Eligibility

If correctly registered and entered by USBA Region or their Canadian Division any member of USBA or Biathlon Canada in good standing and born up to and including the year 2012 may participate in this event if they have a valid USBA or Biathlon Canada Competitor membership card.
